## A MESSAGE FROM MAYOR EUGENE W. GRANT

Thanksgiving is a time for giving and Seat Pleasant: A Smart City of Excellence did just that! It was a bright sunshine day on November 23, 2020 and we were delighted to have the Real MVP and NBA Super Star Kevin Durant's mom Wanda Durant, partner with the City of Seat Pleasant to provide free Thanksgiving Turkeys and Produce to area residents. There were over 400 cars lined up and over 150 walkers for this event. Due to COVID-19 more families were put in a financial hardship and did not have the means to provide a Thanksgiving meal for their families

I would like to thank the sponsors: Wanda Durant "The Real MVP", Kevin Durant Charity Foundation, Market Fresh Gourmet, Compare Foods, G.S Proctor and Associates, and DC Tours for donating turkeys and produce. Because of your donations, the City of Seat Pleasant was able to feed over nine hundred (900) families this year.

We are so thankful for the volunteers who assisted at this year's event especially the wonderful residents of the City of Seat Pleasant, without your serving spirit, this event would not have been successful. The City of Seat Pleasant sends a warm thank you to those individuals who shared kind words of support and appreciation in recognition of their service.

In closing, we would like to thank the City of Seat Pleasant staff and Police Department for their dedication, commitment and service ensuring the success and protection of this government.

### ATTENTION: STIPEND OPPORTUNITY FOR INDIVIDUALS 18-25 YEARS OF AGE

The City of Seat Pleasant wishes to announce the following opportunity to individuals 18-25 to apply to the Chesapeake Bay Trust-2020-2021 Chesapeake Conservation Corps Program.

The Program will place 35-40 Corps Members with nonprofit organizations and government agencies throughout Maryland and the Chesapeake Bay to work full-time for a paid year of service (\$20,000) from August 17, 2021 to August 16, 2022.

#### Purpose of the Corps Program:

- 1) To enable stipend Corps Members to work with Host Organizations and communities to implement a wide variety of environmental projects and programs including those in the fields of restoration, environmental education, forestry, sustainable agriculture, energy conservation, and community engagement.
- 2) The second is to provide leadership and training opportunities for young adults who may pursue environmental and conservation careers.

#### Objectives of the Corps Program:

- 3) Mobilize, educate, and train young adults to work with communities and schools to promote environmental and energy conservation actions needed to preserve, protect, and sustain the environment.
- 4) Provide opportunities for young adults, especially disadvantaged young adults, to be trained for careers that will be part of the emerging green economy; and
- 5) Advance the diversity and influx of young talent to both increase the accessibility to environmental careers and build the capacity of organizations working on Chesapeake Bay issues.

Due to interest in the Program, space is limited. The Trust will organize and determine placements based on:
